

Drug Free Policy

Galen is concerned about the potential adverse effects of alcohol or other drug use on student health and safety, as well as academic performance and patient care. Students are expected to report to class and clinical agencies in the appropriate mental and physical condition conducive to learning and the provision of safe patient care.

Students accepted to the nursing programs may be subject to additional fingerprinting and/or drug screening requirements based on clinical affiliation agency policy, and agree to such screening as a condition of enrollment. When fingerprinting and/or drug screening is required, the student will be notified by Galen and given instructions on how to complete screening requirements.

Galen reserves the right to revoke admission based on an adverse fingerprint or drug screening.

All students are hereby notified:

1. That the unlawful manufacture, distribution, possession, or use of a controlled substance in the school, on school property, while performing work duties, during school events, or in clinical placements is prohibited;
2. That violation of this prohibition will result in discharge or other appropriate actions;
3. That as a condition of enrollment, each student agrees that they will abide by the terms of the above statement, and will notify the Program Director of any criminal drug statute conviction for a violation occurring in school no later than five days after such conviction;

Illicit drugs include marijuana in any form, even if used in a State where such usage is not prohibited. The use of such substances by students on premises or at Galen related functions shall be prohibited. Such conduct by a student shall be considered a critical offense.

Galen recognizes that substance abuse is a major problem that affects students, families, education, and communities. Galen strictly opposes any situation that interferes with a student's safety, health and well-being, and anything that adversely affects academic performance, patient care, or is detrimental to the campus. To promote this goal and in accordance with the Federal Drug-Free Schools and Communities Act Amendment of 1989 and state law, Galen strictly prohibits the unlawful manufacture, distribution, possession, sale, or use of any illegal drugs, controlled substances, or alcohol while acting in the course of enrollment, on Galen owned, leased, or controlled property, while operating Galen owned, leased, or controlled equipment or vehicles, or at Galen sponsored functions. Students are required to report to their faculty use of any over-the-counter medication or prescribed medication that might impair a student's ability to participate in the educational process safely or effectively. Any student who violates this policy is subject to disciplinary action up to and including dismissal.

Procedure

All students must, as a condition of their enrollment, adhere to this policy. Students are responsible for notifying the administration within five (5) days of any drug and/or alcohol related criminal conviction occurring on the campus or while enrolled as a student at Galen. These rights include drug and/or alcohol testing and inspection of any and all Galen and student property when the organization has a reasonable suspicion that this policy has been violated.

- evidence of drugs or alcohol on the student's person or in the student's vicinity,
- unusual conduct or behavior on the student's part that suggests impairment or influence of drugs and/or alcohol,

Any student who refuses to be tested or violates this policy is subject to disciplinary action up to and including dismissal. Galen encourages students with drug and/or alcohol abuse problems to seek counseling and treatment.

This policy is in compliance with the U.S. Department of Education and the Drug-free Schools and Communities Act Amendment of 1989, P.L. 101-226 20 U.S.C.'s 114 5g Higher Education Act of 1965, Section 1213.

Drug Law Violations - Eligibility for Title IV Funding

For the protection and welfare of all students and employees, Galen has established a drug-free policy. In addition to the civil and/or criminal penalties for a conviction for any offense during a period of enrollment for which the student was receiving Title IV, HEA program funds, under any federal or state law involving the possession or sale of illegal drugs, this conviction will result in the loss of eligibility for any Title IV, HEA grant, loan, or work-study assistance.
