Does this education maintain or improve skills needed in your present work?

Yes: Choose yes, if achieving your BSN directly correlates to your current role in HCA Healthcare. For instance, a colleague who is currently an RN can assume their skills will be improved through achieving a BSN

No: Choose no, if a BSN does not apply to your current position. For instance, a colleague currently working as a supply chain technician does not hold a position that would be directly impacted by achieving a BSN.

☒ Yes ☐ No

Is this education required to meet the minimum education requirements of your current trade or business?

Yes: Choose yes, if achieving your BSN is a requirement for your continued employment within your current position at HCA Healthcare.

No: Choose no, if a BSN could help advance your career at HCA Healthcare, but is not a requirement for continued employment in your current position.

☐ Yes ☒ No

Is this education part of a program of study that will qualify you for a career in a new trade or business?

Yes: Choose yes, if achieving your BSN leads to a new career path for you within HCA Healthcare. For instance, a patient care technician who achieves a BSN would be eligible for a new position within the organization as a RN.

No: Choose no, if a BSN could help advance your career at HCA Healthcare, but would not lead to a new line of work within HCA Healthcare. For instance, if you are currently an RN, achieving your BSN would not qualify you for a different line of work.

☐ Yes ☒ No

Based on your response to the tax questions, you will not be taxed on this amount.
